**ALSO: Sign up to get an Energy Audit for YOUR home!**

**Thursday, January 28 • 7-9 pm**

**PRC** (Prentke Romich Company)  
1022 Heyl Road (Co. Rd. 39), Wooster, Ohio

### Be ready with your questions!

- How do I choose an energy efficient home builder?
- What features affect the efficiency of my home?
- How do I know if my home is well insulated?
- Why should I get an energy audit?
- How can I plan to use renewable energy in my home?
- How do I upgrade my heating & cooling system?
- Who should I contact for more advice on saving home energy?
- What do I need to know about weatherizing?
- What are the most efficient lighting and appliance options?
- How much money can I save with the tax credits?
