Invitation to be a Sponsor!

The OSU Wooster Campus will be home to the third annual Scarlet, Gray and Green Fair on Tuesday, April 20, 2010 from 11:30 - 7:00 pm (opening ceremony from 11:00 – 11:30). This event will educate and celebrate that “Green is for Life!” Free to the public, the fair will feature exhibits, demonstrations, student contests, and food vendors in a fun-filled indoor and outdoor environment.

The 2010 OSU Wooster Campus Scarlet, Gray and Green Fair will build on the success of the 2008 and 2009 fairs, which were signature community events (1700 - 1800 participants, 70+ exhibitors, and more than 30 sponsors who contributed a total of \$18,500 each year). If you were a sponsor of previous fairs, thanks again for your generous support. If not, you are invited to join the individuals and organizations who are demonstrating their commitment to, and support of, a healthier environment and a more sustainable society by providing monetary or in kind donations to the Scarlet, Gray and Green Fair. Financial sponsorship categories and levels are listed below:

<u>Sponsorship Category</u>	<u>Donation Level</u>
Buckeye	\$100 - \$499
Scarlet	\$500 - \$999
Gray	\$1000 - \$1999
Green	\$2000 +

Sponsors in all four categories will 1) receive name recognition as part of the Scarlet, Gray and Green Fair activities and 2) be listed on the fair website along with a link to their own website. Scarlet, Gray and Green level sponsors also qualify for a full waiver of fees, if they also choose to be exhibitors. In addition, sponsors in these three highest categories will have their logos featured (with size based on sponsor category) on 1) fair promotional materials and 2) the fair website.

The deadline for sponsorship is February 15, 2010. However, early commitments are encouraged and several sponsors who have done so are already listed on the 2010 fair website. The actual transfer of funds to the fair account can occur anytime between now and the date of the fair. Please contact Allen Zimmerman at 330.287.1263 or zimmerman.7@osu.edu about sponsorship opportunities. Thank you.

Coordinating Sponsors:

The Ohio State University - College of Food, Agricultural, and Environmental Sciences
OSU-OARDC, OSU-ATI, and OSU Extension
Wayne County Sustainable Energy Network
