Invitation to be a Sponsor!

The OSU Wooster Campus will be home to the first annual Scarlet, Gray and Green Fair on Earth Day, April 22, 2008 from 1:00 - 7:00 pm. This festival will celebrate, educate and demonstrate that “It IS easy being green!”

Free to the public, the fair will feature exhibits, demonstrations, artisans, speakers, entertainers, and food vendors in a fun-filled outdoor environment.

You are invited to join the growing number of individuals and organizations who are demonstrating their commitment to, and support of, a healthier environment and a more sustainable society by providing monetary or in kind donations to the Scarlet, Gray and Green Fair.

Financial sponsorship categories and levels are:

<u>Sponsorship Category</u>	<u>Donation Level</u>
Buckeye	\$100 - \$499
Scarlet	\$500 - \$999
Gray	\$1000 - \$1999
Green	\$2000 +

Sponsors in all four categories will 1) receive name recognition as part of the Scarlet, Gray and Green Fair activities, 2) be listed on the fair website along with a link to their own website, and 3) qualify for a waiver of fees if they also choose to be an exhibitor. In addition, sponsors in the top three categories will have their logos featured (with size based on sponsor category) on 1) fair promotional materials and 2) the fair website.

The Scarlet, Gray and Green Fair will be a signature community event and your participation is very important. Please contact Allen Zimmerman at 330.287.1263 or zimmerman.7@osu.edu about sponsorship opportunities. The cutoff date for recognition on the initial version of fair promotional materials is March 1, 2008. The cutoff date for recognition on the final version of fair promotional materials is March 15, 2008.

Thank you.

Coordinating Sponsors:
Faculty Council, OSU College of Food, Agricultural and Environmental Sciences
Wayne County Sustainable Energy Network
