Invitation to be an Exhibitor!

The OSU Wooster Campus will be home to the second annual Scarlet, Gray and Green Fair on Earth Day, April 20, 2010 from 11:30 - 7:00 pm. This festival celebrates, educates and demonstrates that "Green is for Life!" Free to the public, the fair will feature exhibits, demonstrations, student contests, and food vendors (open for lunch) in a fun-filled indoor and outdoor environment.

The 2010 Scarlet, Gray and Green Fair builds on the successes of the 2008 and 2009 fairs, which were signature community events involving nearly 2000 participants, around 100 exhibitors, and sponsors who contributed nearly \$20,000. You are invited to join the growing number of companies and organizations demonstrating their commitment to, and support of, a healthier environment and a more sustainable society. As an exhibitor, you will be able to:

- Promote your environmentally friendly company or organization;
- Demonstrate how your business has made the commitment to be greener;
- Market and sell your environmental products; and/or
- Create an environmental and educational exhibit to inspire the public and your employees.

The deadline for registration is February 1, 2010. No late registration accepted. Early registrations are encouraged because booth locations are assigned on a first come, first serve basis and exhibit space is limited. Many booths will be located inside Fisher Auditorium. Tented space will be provided for those exhibiting outside.

Please complete and return the registration form found on the fair website. Upon approval of your registration, you will receive an exhibitor's packet containing all the information necessary to prepare for, and participate in, this exciting event. Contact Gwen Covert at 330.263.3700 or covert.25@osu.edu for additional information.

Choose to become a financial sponsor of the fair and receive free or reduced registration fees, as determined by your sponsorship category. Please contact Allen Zimmerman at 330.287.1263 or zimmerman.7@osu.edu for more information about sponsorship opportunities. Thank you.
